and we will have to get their inputs. Therefore, I have requested the Chairman of the Committee to expedite it as far as possible, but at the same time, we would like to have the recommendations, or, suggestions which will be based on a broad consensus so that, in implementation, it does not take much time.

MR. CHAIRMAN: Question Hour is over.

WRITTEN ANSWERS TO STARRED QUESTIONS

Integrated Barren Land Development Programme in M.P.

†*464. SHRI LAXMINARAYAN SHARMA: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the total number of proposals received from Madhya Pradesh under Integrated Barren Land Development Programme;

(b) the number of proposals approved out of these proposals and the amount provided so far for the same, year-wise; and

(c) the number of proposals yet to be approved and by when these are likely to be approved?

THE MINISTER OF RURAL DEVELOPMENT (SHRI RAGHUVANSH PRASAD SINGH): (a) to (c) Since 1999-2000, under Integrated Wastelands Development Programme (IWDP), project proposals are prioritised for sanction in consultation with the State Governments every year. Pending project proposals which are not sanctioned in a financial year can be considered for sanction during the next financial year, if prioritised again by the State Governments.

From 1997-98 till 31.3.2005,80 project proposals have been received from the State of Madhya Pradesh. Out of these, 69 projects were sanctioned (Statement-I) (See below). The total cost of these 69 projects is Rs. 250.14 crores. Till 31.3.2005, Rs. 129.66 crores has been released under these projects to Madhya Pradesh. Year-wise release of funds under these projects is given in Statement-ll (See below). In 2005-06, a list of 14 projects has been received. These projects will be considered for sanction by the Project Sanctioning Committee in consultation with the State Government representatives, during the first quarter of 2005-06 (Statement-III).

† Original notice of the question was received in Hindi.
